What's inside, and the order to use it

Part	Files	Alone
The Quarterly Tax Tracker	Quarterly-Tax-Tracker.xlsx + 10-page guide. What to pay before each deadline, from your own logs.	$15
The Rate & Contract Kit	Rate-and-Invoice-Kit.xlsx, proposal, services agreement, change order, invoice + 7-page guide.	$29
Client Email Scripts (bonus)	14 emails from first inquiry to final notice. Bundle only.	—
2027 Freelancer Tax Calendar	Every federal date, the payment routine, a wall page.	Free

Your first afternoon (about 90 minutes)

1. **Rate Calculator** (20 min): your hourly floor and your tax set-aside %.
2. **Tracker Setup tab** (20 min): filing status, last year's tax, your set-aside %. Then log this year's income and expenses so far.
3. **Templates** (30 min): put your name, terms, deposit and late fee into the proposal and agreement once. Save them as your masters.
4. **Calendar** (10 min): the four tax dates plus a monthly 10-minute check, with reminders.
5. **Email Scripts** (10 min): save the invoice and reminder emails as templates in your email app.

THE RHYTHM

How it runs all year

When	What you do	With
New inquiry	Reply, price it, send a proposal, follow up in 3–4 days.	Emails 1–3, Project Pricer, Proposal
Yes from a client	Agreement + deposit invoice. Start when both are done.	Agreement, Invoice
"Can you also..."	Change order the same day.	Change Order, Email 4
Delivery	Invoice the same day; log it.	Invoice, Invoice Log, Email 6
Payment lands	Log it; move your set-aside % to tax savings.	Tracker Income tab
Monthly (10 min)	Catch up logs, chase overdue invoices, pay yourself.	Tracker, Invoice Log, Emails 7–11
Before each tax date	The 15-minute payment routine.	Tracker Quarterly tab, Calendar
Every January	Update tax tables, re-run your rate, raise it if needed.	Rate Calculator, Email 5

UPDATES

Tax tables change every January. Updated editions of both spreadsheets are free for bundle buyers: re-download from your purchase email.
